

Table 9. Approved Discharge Permits: CY 2022

Type of Industry	No. of Approved Discharge Permits
Animal production	21
Casting of Non-ferrous metal casting such as aluminum, copper and zinc alloys	1
Casting/foundry of iron and steel	1
Cold storage	8
Copper ore mining	7
Electric Power Generation	14
Extraction of crude petroleum and natural gas, and support activities	1
Funeral and related activities	4
Hospitals, clinics, nursing homes and other human health and residential care activities	17
Hotels, motels, resorts, dormitories and other accommodation services	57
Maintenance and repair of vehicles, their parts and components (excluding vulcanizing/tire related preparations)	5
Manufacture of basic precious and non-ferrous metal, not elsewhere classified	1
Manufacture of beverages	7
Manufacture of cement	12
Manufacture of ceramics, clay products, construction aggregates, asphalt, asbestos and other non-metallic minerals (except cement)	18
Manufacture of electronic components	7
Manufacture of gas; distribution of gaseous fuels through mains	2
Manufacture of glass and glass products	1
Manufacture of grain mill products, starches and starch products (except rice, corn, and cassava flour milling)	11
Manufacture of industrial (compressed/liquefied) gases	7
Manufacture of inorganic, organic and other basic chemicals	1
Manufacture of iron and steel	5
Manufacture of man-made fibers (except glass fibers)	1
Manufacture of miscellaneous chemical products, not elsewhere classified	1
Manufacture of other food products (except sugar)	14
Manufacture of paints, ink, varnishes and similar coating materials	1
Manufacture of precious metals	1
Manufacture of prepared animal feeds	5
Manufacture of soap and detergents, cleaning and polishing preparations, perfumes and toilet preparations	1
Manufacture of sugar	1
Manufacture of textiles	1
Manufacture of vegetable and animal oils and fats	4
Manufacture of veneer sheets; manufacture of plywood, laminated board, particle board and other panels and board; wooden window and screens	4
Manufacturing of plastics and synthetic rubber in forms	9
Monetary Intermediation	3
Oil (Petroleum)	26
Other human health activities - medical laboratories inside and outside of medical facilities	2
Paper and paperboard milling	1

Printing	2
Processing and preserving of fish, crustaceans and mollusk (except carrageenan)	2
Processing and preserving of fruits and vegetables	4
Processing of seaweeds; manufacture of agar-agar or carrageenan	2
Production processing and preserving of meat and meat products	9
Public and private education (including support activities)	5
Real estate activities with own or leased property	47
Remediation activities and other waste management services	7
Research and experimental development on natural sciences and engineering	1
Restaurants, food chains, bars and other food/beverage services	20
Rock phosphate mining	5
Scrubbing of flue gases from firing systems (primarily in scrubbing of flue gases from firing systems). This shall not apply to wastewater from other industrial waste-gas-scrubbing systems, from cooling circuits of power stations and industrial processes	2
Sewerage (operation of sewer system or sewage treatment facilities that collect, treat, and dispose of sewage)	77
Slaughtering and meat packing	5
Sugar milling	1
Technical testing and analysis	3
Treatment and disposal of hazardous waste	6
Treatment and disposal of non-hazardous waste	6
Treatment, coating, and machining of metals	6
Washing and dry cleaning of textile and fur products	2
Water collection, treatment and supply (except those intended to prevent pollution)	2
Wholesale and retail sale of automotive fuels	10
