

Table 25: Status of Geohazard Mapping (list of Municipalities with 1:10,000 Map Scale: CY 2022

Province	Municipality/City	1:10,000 Map Scale				
		Assessed by	Year Assessed	Status		
CEBU	San Remigio	MGB-9	2016	Vulnerability and Risk Assessment (VRA) only , IEC conducted in 2018		
	Bogo					
	Medellin					
	Daanbantayan					
	Ronda	MGB-7	2016			
	Moalboal					
	Badian					
	Argao					
	Dalaguete					
	Sibonga					
	Sibonga	MGB-7	2017	VRA and Updating completed, IEC conducted in 2019		
	Mandaue City	MGB-Central Office	2017	VRA and Updating completed, IEC conducted in 2019		
	Lapulapu City			VRA and Updating completed, IEC conducted in 2019		
	Cebu City	MGB-CO	2018	VRA and Updating completed; IEC conducted in 2022		
	Tabogon	MGB-7	2018	VRA and Updating completed, IEC conducted in 2020		
	Tabuelan			VRA and Updating completed, IEC conducted in 2020		
	Sogod			VRA and Updating completed, IEC conducted in 2020		
	Naga City	MGB-7	2019	VRA and Updating completed; IEC conducted in 2021		
	Alcoy			VRA and Updating completed, IEC conducted in 2021		
	Boljoon			VRA and Updating completed, IEC conducted in 2022		
Oslob	VRA and Updating completed, IEC conducted in 2022					
Santander	VRA and Updating completed, IEC conducted in 2022					
Alegria	MGB-7	2020	VRA and Updating completed			
Ginatilan			VRA and Updating completed			
Malabuyoc	MGB-7	2021	VRA and Updating completed			
Samboan			VRA and Updating completed			
Borbon	MGB-7	2022	VRA and Updating completed			
BOHOL	Tagbilaran City	MGB-7	2015	VRA only; IEC conducted in 2018		
	Maribojoc	MGB-7	2016	VRA only; IEC conducted in 2018		
	Cortes					
	Loboc					
	Garcia Hernandez					
	Jagna					
	Loon	MGB-1 & MGB-2	2017	VRA and Updating completed, IEC conducted in 2021		
	Batuan			VRA and Updating completed, IEC conducted in 2021		
	Sierra Bullones			VRA and Updating completed, IEC conducted in 2021		
	Catigbian	MGB-7	2017	VRA and Updating completed, IEC conducted in 2019		
	Calape			VRA and Updating completed, IEC conducted in 2019		
	Tubigon			VRA and Updating completed, IEC conducted in 2019		
	Clarin			VRA and Updating completed, IEC conducted in 2019		
	Inabanga			VRA and Updating completed, IEC conducted in 2019		
	Danao			VRA and Updating completed, IEC conducted in 2019		
	Sagbayan			VRA and Updating completed, IEC conducted in 2019		
	Dagohoy			VRA and Updating completed, IEC conducted in 2019		
	Carmen			VRA and Updating completed, IEC conducted in 2019		
	San Miguel			VRA and Updating completed, IEC conducted in 2019		
	San Isidro			VRA and Updating completed, IEC conducted in 2019		
	Panglao			MGB-7	2018	VRA and Updating completed, IEC conducted in 2020
	Dauis					VRA and Updating completed, IEC conducted in 2020
	Baclayon	VRA and Updating completed, IEC conducted in 2020				
	Alburquerque	VRA and Updating completed, IEC conducted in 2020				
	Buenavista	VRA and Updating completed, IEC conducted in 2020				
	Jatafe	MGB-7	2019	VRA and Updating completed, IEC conducted in 2020		
	Talibon			VRA and Updating completed, IEC conducted in 2020		
Antequera	VRA and Updating completed, IEC conducted in 2022					
Balilihan	MGB-7	2019	VRA and Updating completed			
Corella			VRA and Updating completed			
Sikatuna			VRA and Updating completed			
Anda	MGB-7	2020	VRA and Updating completed			
Guindulman	MGB-7	2021	VRA and Updating completed			
NEGROS ORIENTAL	Dumaguete City	MGB-7	2015	VRA only, IEC conducted in 2018		
	Bacong	MGB-7	2016	VRA only, IEC conducted in 2018		
	Valencia					
	Guihulngan City	MGB-7	2018	VRA and Updating completed, IEC conducted in 2020		
	Sibulan	MGB-7	2019	VRA and Updating completed, IEC conducted in 2021		

	Dauin	MGB-7	2019	VRA and Updating completed, IEC conducted in 2022
	Tayasan	MGB-7	2021	VRA and Updating completed
	Ayungon			
	La Libertad	MGB-7	2022	VRA and Updating completed
	Jimalalud			
	Vallehermoso	MGB-7	2023	VRA and Updating completed
SIQUIJOR	Larena	MGB-7	2018	VRA and Updating completed, IEC conducted in 2020
	Siquijor	MGB-7	2019	VRA and Updating completed, IEC conducted in 2022
	Lazi	MGB-7	2020	VRA and Updating completed, IEC conducted in 2023
	Maria	MGB-7	2022	VRA and Updating completed

Source: Mines and Geosciences Bureau-7

Note: MGB already completed the 1:10,000 scale geohazard maps of Region VII and issued the respective maps to all LGUs during the subsequent IECs in the Region. Presented here is the status of Updating of 1:10,000 scale geohazard maps from 2017 to present (June 2023). 2015-2016 targets are for Vulnerability and Risk Assessment (VRA) program only.
